MICHELANGELO – a masterpiece

For years Michelangelo has been distributed nationally and is an established brand in the Italian semi-sparkling wine segment.

Carefully selected grape varieties give Michelangelo Secco a particularly aromatic taste. The production with carbonic acid that derives from the own fermentation is unique and gives Michelangelo Secco it's well-balanced, fruity aroma.

Secco is a chic and sparkling lifestyle-drink with „Italian flair“ and offers a wonderful alternative to wine and Prosecco.

With the „Michelangelo Secco concept“ we offer you TOP-quality.
